

## Amazon

### About Amazon

Amazon lets you buy on the go. You can even snap a photo with your phone and Amazon will look for comparable products

- Currently available for BlackBerry smartphones with a trackball or touch screen.
- Buy millions of products wherever you go.
- Access your existing Amazon account, cart, wish lists, payment and shipping settings, order history, 1-Click, and Prime benefits.
- Snap a photo from your BlackBerry and we'll search for a similar product available from Amazon.com.

All orders placed are processed by Amazon's secure servers.

### How Does it Work?

- Amazon rocks. Now with the new Amazon app for BlackBerry you can buy on the go. You can even snap a photo with your phone and Amazon will look for comparable products.
- Or you can use the search bar and search for any item that you are looking for.

---

### What does it cost?
