

DirecTV DVR Scheduler

You're in control

With DIRECTV's industry-leading DVR technology, it's TV on your terms. Record all your favorite shows, movies and sports and enjoy them on your schedule, not the networks'. Pause and rewind live TV. You can even set your home DVR when you're nowhere near home, with any cell phone or computer.

Features

- Search for any television show up to 14 days in advance
- Browse programs by channel or date & time
- Get program information instantly, including description, length and rating
- Record a single episode or an entire series
- Program Pay Per View movies to be recorded and ready to watch anytime
- Record to any DIRECTV DVR in your home

How Does it Work?

You will need to launch the internet browser on your mobile phone and navigate to the URL - m.directv.com. From there, you will have the option to login in to DVR Scheduler: Mobile service. After logging in to the service with your directv.com user name and password, you will be provided with a screen which gives you the option to *Search for Shows* or *Manual Record*.

What does it cost?

Free
(Data Unlimited package recommend)
