

## Facebook

### About Facebook

Keep up with the latest news and posts with Facebook on your phone. Now your status updates can be up-to-the-moment accounts of what you're doing. Photos and videos are about as close to live-action as you can get. Show your friends what you're up to, while you're out and about.

### How Does it Work?

- Take pictures and videos on your phone and upload them right to Facebook!
- View your friends' highlights like status updates, photo uploads, comments and wall posts.
- Check out your friends' profiles with access to status updates, and wall posts. Look at photos, and even entire albums, of your friends. You can even comment on pictures!
- Send/receive message or wall posts, pokes and friend requests.
- Update your status, view and comment on your friends' status.
- Stay organized with birthday reminders and event integration into your Calendar. (Blackberry only)
- Receive instant notifications on your BlackBerry smartphone's home screen. (Blackberry only)
