

## Slacker Radio

### About Slacker

Listen to your favorite music on your BlackBerry!

- Do you listen to music on your computer?
- Do you have a satellite radio but are tired of paying subscription fees?
- Do you carry a phone and an MP3 player?

**Slacker Radio is for you!**

Listen to all of your favorite personalized Slacker stations on your BlackBerry for free! You can listen to over 100 stations programmed by music experts or create your own custom stations right from your BlackBerry.

You'll have detailed artist biographies, full album reviews and more. Best of all, the music can be stored on your phone so you can listen even when you don't have a connection!

### Features

- Unlimited free music on your BlackBerry
- Over 100 expert-programmed genre stations
- High-quality stereo sound over any connection
- Listen even when not connected
- Music plays even while using other applications

### How Does it Work?

- Launch the application from your phone
- Select the station/genre of your choice or create a station
- Listen to your selection over the air or cache your station to a memory card and listen to it whenever, wherever (Listening to a cached station greatly increases your battery life)

### What does it cost?

Free  
(Media Bundle Package recommend)

### Lifestyle:

- ▶ Work    ▶ Play    ▶ Family

### Operating System Requirements:

Windows   ▶   BlackBerry   Symbian

### How do I get it on my phone?

- From a computer, go to <http://slacker.com/mobile/blackberry> or
- From your blackberry mobile phone– just type [slacker.com](http://slacker.com) into your phone's browser
- The application will be downloaded to your phone. Simply follow the instructions
